

Appendix A: Self-assessment form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

Section 1: Definition of a complaint

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
1.2	A complaint must be defined as: <i>'an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents.'</i>	Y	Complaints Policy Moat Compliments and complaints	We use the same definition in our Complaints Policy as prescribed by the Housing Ombudsman.
1.3	A resident does not have to use the word 'complaint' for it to be treated as such. Whenever a resident expresses dissatisfaction landlords must give them the choice to make complaint. A complaint that is submitted via a third party or representative must be handled in line with the landlord's complaints policy.	Y	Complaints Policy Moat Compliments and complaints	Complaints Policy Point 4
1.4	Landlords must recognise the difference between a service request and a complaint. This must be set out in their complaints policy. A service request is a request from a resident to the landlord requiring action to be taken to put something right. Service requests are not complaints, but must be	Y	Complaints Policy Moat Compliments and complaints	Complaints Policy Points 5 and 6

	recorded, monitored and reviewed regularly.			
1.5	A complaint must be raised when the resident expresses dissatisfaction with the response to their service request, even if the handling of the service request remains ongoing. Landlords must not stop their efforts to address the service request if the resident complains.	Y	Complaints Procedure Moat Compliments and complaints	Complaints Procedure Point 3.4
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Where landlords ask for wider feedback about their services, they also must provide details of how residents can complain.	Y		

Section 2: Exclusions

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
2.1	Landlords must accept a complaint unless there is a valid reason not to do so. If landlords decide not to accept a complaint they must be able to evidence their reasoning. Each complaint must be considered on its own merits	Y	Complaints Policy Moat Compliments and complaints	Complaints Policy Point 20
2.2	<p>A complaints policy must set out the circumstances in which a matter will not be considered as a complaint or escalated, and these circumstances must be fair and reasonable to residents. Acceptable exclusions include:</p> <ul style="list-style-type: none"> • The issue giving rise to the complaint occurred over twelve months ago. • Legal proceedings have started. This is defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at court. 	Y	Complaints Policy Moat Compliments and complaints	Complaints Policy Point 20

	<ul style="list-style-type: none"> Matters that have previously been considered under the complaints policy. 			
2.3	Landlords must accept complaints referred to them within 12 months of the issue occurring or the resident becoming aware of the issue, unless they are excluded on other grounds. Landlords must consider whether to apply discretion to accept complaints made outside this time limit where there are good reasons to do so.	Y	Complaints Policy Moat Compliments and complaints	Complaints Policy Point 20 We state that issues older than 12 months may be difficult to investigate but we do not explicitly exclude them.
2.4	If a landlord decides not to accept a complaint, an explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman. If the Ombudsman does not agree that the exclusion has been fairly applied, the Ombudsman may tell the landlord to take on the complaint.	Y	Complaints Policy Moat Compliments and complaints	Complaints Policy Point 20
2.5	Landlords must not take a blanket approach to excluding complaints; they must consider the individual circumstances of each complaint.	Y	Complaints Policy Moat Compliments and complaints	Complaints Policy Point 21

Section 3: Accessibility and Awareness

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
3.1	Landlords must make it easy for residents to complain by providing different channels through which they can make a complaint. Landlords must consider their duties under the Equality Act 2010 and anticipate the needs and reasonable adjustments of residents who may need to access the complaints process.	Y	Complaints Policy Moat Compliments and complaints	Complaints Policy Points 7, 8, 12
3.2	Residents must be able to raise their complaints in any way and with any member of staff. All staff must be aware of the complaints process and be able to pass details of the complaint to the appropriate person within the landlord.	Y	Website Moat Compliments and complaints	We do not exclude any roles from opening complaints
3.3	High volumes of complaints must not be seen as a negative, as they can be indicative of a well-publicised and accessible complaints process. Low complaint volumes are potentially a sign that residents are unable to complain.	Y	Website Complaints Procedure Moat Compliments and complaints	Complaints Procedure Point 1.2
3.4	Landlords must make their complaint policy available in a clear and	Y	Website Moat Compliments and complaints	

	accessible format for all residents. This will detail the two stage process, what will happen at each stage, and the timeframes for responding. The policy must also be published on the landlord's website.		Complaints Policy Moat Compliments and complaints	
3.5	The policy must explain how the landlord will publicise details of the complaints policy, including information about the Ombudsman and this Code.	Y	Complaints Policy Moat Compliments and complaints	Complaints Policy Summary
3.6	Landlords must give residents the opportunity to have a representative deal with their complaint on their behalf, and to be represented or accompanied at any meeting with the landlord.	Y	Complaints Policy Moat Compliments and complaints	Complaints Procedure Point 1.2
3.7	Landlords must provide residents with information on their right to access the Ombudsman service and how the individual can engage with the Ombudsman about their complaint.	Y	Website Moat Compliments and complaints Complaints Policy Moat Compliments and complaints	We promote the Housing Ombudsman Service in our Complaints Policy, website, formal complaints communication, newsletters and social media.

Section 4: Complaint Handling Staff

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
4.1	Landlords must have a person or team assigned to take responsibility for complaint handling, including liaison with the Ombudsman and ensuring complaints are reported to the governing body (or equivalent). This Code will refer to that person or team as the 'complaints officer'. This role may be in addition to other duties.	Y		<p>We have a Customer Resolution Team which directly deals with most of our complaints. The team also oversee the overall process and provide support to trained colleagues elsewhere in the business.</p> <p>The Customer Resolutions team provides regular reporting to the Executive Team, Customer & Communities Committee and Board.</p>
4.2	The complaints officer must have access to staff at all levels to facilitate the prompt resolution of complaints. They must also have the authority and autonomy to act to resolve disputes promptly and fairly.	Y		<p>All of our colleagues are able to offer resolutions and encouraged to escalate issues as necessary.</p>
4.3	Landlords are expected to prioritise complaint handling and a culture of learning from complaints. All relevant staff must be suitably trained in the importance of complaint handling. It is important that complaints are seen as a	Y		<p>We have both a service led and centralised approach to complaint handling depending on the nature of the complaint. Section 5: The Complaint Handling Process

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
5.1	Landlords must have a single policy in place for dealing with complaints covered by this Code. Residents must not be treated differently if they complain.	Y	Complaints Policy Moat Compliments and complaints	
5.2	The early and local resolution of issues between landlords and residents is key to effective complaint handling. It is not appropriate to have extra named stages (such as 'stage 0' or 'informal complaint') as this causes unnecessary confusion.	Y	Complaints Policy Moat Compliments and complaints	
5.3	A process with more than two stages is not acceptable under any circumstances as this will make the complaint process unduly long and delay access to the Ombudsman.	Y	Complaints Policy Moat Compliments and complaints	
5.4	Where a landlord's complaint response is handled by a third party (e.g. a contractor or independent adjudicator) at any stage, it must form part of the two stage complaints process set out in	Y		Only our gas complaints are handled by our contractor and we will be realigning them to the Customer Resolutions Team during 2024/25

	this Code. Residents must not be expected to go through two complaints processes.			
5.5	Landlords are responsible for ensuring that any third parties handle complaints in line with the Code.	Y		
5.6	When a complaint is logged at Stage 1 or escalated to Stage 2, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. The Code will refer to this as “the complaint definition”. If any aspect of the complaint is unclear, the resident must be asked for clarification.	Y	Complaints Policy Moat Compliments and complaints	Complaints Procedure Points 5.2 and 5.11
5.7	When a complaint is acknowledged at either stage, landlords must be clear which aspects of the complaint they are, and are not, responsible for and clarify any areas where this is not clear.	Y		
5.8	At each stage of the complaints process, complaint handlers must: <ul style="list-style-type: none"> a. deal with complaints on their merits, act independently, and have an open mind; b. give the resident a fair chance to set out their position; 	Y	Complaints Policy Moat Compliments and complaints	Complaints Procedure Points 4.1

	<p>c. take measures to address any actual or perceived conflict of interest; and</p> <p>d. consider all relevant information and evidence carefully.</p>			
5.9	Where a response to a complaint will fall outside the timescales set out in this Code, the landlord must agree with the resident suitable intervals for keeping them informed about their complaint.	Y	<p>Complaints Procedure Moat Compliments and complaints</p> <p>Complaints Policy Moat Compliments and complaints</p>	<p>Complaints Procedure Points 5.10 and 5.14</p> <p>Complaints Policy Point 18</p>
5.10	Landlords must make reasonable adjustments for residents where appropriate under the Equality Act 2010. Landlords must keep a record of any reasonable adjustments agreed, as well as a record of any disabilities a resident has disclosed. Any agreed reasonable adjustments must be kept under active review.	Y	<p>Complaints Policy Moat Compliments and complaints</p>	<p>Complaints Policy Point 12</p>
5.11	Landlords must not refuse to escalate a complaint through all stages of the complaints procedure unless it has valid reasons to do so. Landlords must clearly set out these reasons, and they must comply with the provisions set out in section 2 of this Code.	Y		<p>We do not refuse to escalate complaints as long as stage one is completed.</p>
5.12	A full record must be kept of the complaint, and the outcomes at each stage. This must include the original	Y		

	complaint and the date received, all correspondence with the resident, correspondence with other parties, and any relevant supporting documentation such as reports or surveys.			
5.13	Landlords must have processes in place to ensure a complaint can be remedied at any stage of its complaints process. Landlords must ensure appropriate remedies can be provided at any stage of the complaints process without the need for escalation.	Y	Complaints Policy Moat Compliments and complaints	Complaints Procedure Point 4.3
5.14	Landlords must have policies and procedures in place for managing unacceptable behaviour from residents and/or their representatives. Landlords must be able to evidence reasons for putting any restrictions in place and must keep restrictions under regular review.	Y	Unreasonable Behaviour Policy Moat Reports, documents and policies	
5.15	Any restrictions placed on contact due to unacceptable behaviour must be proportionate and demonstrate regard for the provisions of the Equality Act 2010.	Y	Unreasonable Behaviour Policy Moat Reports, documents and policies	

Section 6: Complaints Stages

Stage 1

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
6.1	Landlords must have processes in place to consider which complaints can be responded to as early as possible, and which require further investigation. Landlords must consider factors such as the complexity of the complaint and whether the resident is vulnerable or at risk. Most stage 1 complaints can be resolved promptly, and an explanation, apology or resolution provided to the resident.	Y		We carry out impact assessments when complaints are raised. They are reviewed at each stage of the complaints process and the data is held on CRM.
6.2	Complaints must be acknowledged, defined and logged at stage 1 of the complaints procedure <u>within five working days of the complaint being received.</u>	Y	Complaints Policy Moat Compliments and complaints	Our policy is compliant, however our performance compliance varied as detailed in our annual report.
6.3	Landlords must issue a full response to stage 1 complaints <u>within 10 working days</u> of the complaint being acknowledged.	Y	Complaints Policy Moat Compliments and complaints	Our policy is compliant, however our performance compliance varied as detailed in our annual report.

6.7	Landlords must address all points raised in the complaint definition and provide clear reasons for any decisions, referencing the relevant policy, law and good practice where appropriate.	Y	Complaints Procedure Moat Compliments and complaints	Complaints Procedure Point 5.8
6.8	Where residents raise additional complaints during the investigation, these must be incorporated into the stage 1 response if they are related and the stage 1 response has not been issued. Where the stage 1 response has been issued, the new issues are unrelated to the issues already being	Y	Complaints Procedure Moat Compliments and complaints	Complaints Procedure Point 5.15

6.11	Requests for stage 2 must be acknowledged, defined and logged at stage 2 of the complaints procedure	Y		

	within five working days of the escalation request being received.			
6.12	Residents must not be required to explain their reasons for requesting a stage 2 consideration. Landlords are expected to make reasonable efforts to understand why a resident remains unhappy as part of its stage 2 response.	Y	Complaints Policy Moat Compliments and complaints	Complaints Policy Point 16
6.13	The person considering the complaint at stage 2 must not be the same person that considered the complaint at stage 1.	Y	Complaints Policy Moat Compliments and complaints Complaints Procedure Moat Compliments and complaints	Complaints Policy Point 16 Complaints Procedure Point 5.11

Y		

Section 9: Scrutiny & oversight: continuous learning and improvement

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
9.1	Landlords must look beyond the circumstances of the individual complaint and consider whether service improvements can be made as a result of any learning from the complaint.	Y	Complaints Policy Moat Compliments and complaints

9.6	The MRC will be responsible for ensuring the governing body receives regular information on complaints that provides insight on the landlord's complaint handling performance. This person must have access to suitable information and staff to perform this role and report on their findings.	Y		
9.7	As a minimum, the MRC and the governing body (or equivalent) must receive: a. regular updates on the volume, categories and outcomes of complaints, alongside complaint handling performance; b. regular reviews of issues and trends arising from complaint handling; c. regular updates on the outcomes of the Ombudsman's investigations and progress made in complying with orders related to severe maladministration findings; and	Y
